If your job includes writing books then you should definitely use this easy to use yet nicely formatted manual layout for your next assignment. The heading above this paragraph is **"Level 2"** heading. Everything is formatted using predefined styles so instead of making any manual change in the formatting, you should modify the associated styles to let your changes effectively apply at every instance of that formatting.

Feel free to use this handbook template in any academic or non-academic work. This is more than a blank manual template in Microsoft Word; this is a completely formatted layout for printing & publishing.
